Date sent: \_\_\_\_\_

Check #: \_\_\_\_\_

- Delivery dates: 1. Presidents Day (February), 2. Memorial Day (May), 3. Flag Day (June), 4. Independence Day (July), 5. Labor Day (September), 6. Patriots Day (September), and 7. Veterans Day (November). According to protocol, flags may not be flown on days of stormy weather.
- Troop 3 retains ownership of the flag kits. Each flag kit consists of a 3 x 5 ft. U.S. flag flown on an 8 ft. pole. Installation requires a 1/2" steel rod that will be driven into your yard and removed when the flag is retrieved.
- Troop 3 retains the right to reject or cancel the service if the location is outside of our normal delivery zone, is in an area with streets or addresses that are not clearly marked, or is in an area deemed potentially dangerous for the scouts to access safely. In such instances, donations will be returned.
- Participation in the program starts fresh each calendar year. Mid-year participation may be allowed at the full year price and at the discretion of the Troop. No discount or pro-rating will be offered for deliveries that start after the first delivery date.
- **Please be patient on delivery days. Some of our boys are young and may be placing the flags for the first time with their parents. The program teaches the young men to respect the flag, to be responsible for its care and handling, and to work safely and cautiously.**
