

# 2024 Old Glory Flag Fundraiser

## BSA Troop 3, Greenspot

Thank you for your past participation in Troop 3's Old Glory flag program. **IMPORTANT NOTE:** The last two years we suspended flag delivery on Labor Day due to pandemic impacts on scouting participation. The good news is that kids are again interested in Scouting, especially younger children in Cub Scouts and Webelos. Troop 3 may still be a few years from reaching our pre-pandemic participation levels, and consequently, Labor Day flag deliveries will again be suspended in 2024. We appreciate your patience and understanding.

- 2024 Delivery dates: 1. Presidents Day (February), 2. Memorial Day (May), 3. Flag Day (June), 4. Independence Day (July), 5. Patriot Day (September), and 6. Veterans Day (November). **Note, Labor Day deliveries have been suspended for 2024 due to pandemic impacts on scouting participation.** According to protocol, flags may not be flown on days of stormy weather.
- Troop 3 retains ownership of the flag kits. Each flag kit consists of a 3 x 5 ft. U.S. flag flown on an 8 ft. pole. Installation requires a ½" steel rod that will be driven into your yard and removed when the flag is retrieved.
- Troop 3 retains the right to reject or cancel the service if the location is outside of our designated delivery zone, is in an area with streets or addresses that are not clearly marked or is in an area deemed potentially hazardous for the scouts/drivers to access safely. In such instances, donations will be returned.
- Participation in the program starts fresh each calendar year. Mid-year participation may be allowed at the full year price and at the discretion of the Troop. No discount or pro-rating will be offered for deliveries that start after the first delivery date.
- **Please be patient on delivery days. Some of our scouts are young and may be placing the flags for the first time with their parents. The program teaches the scouts to respect the flag, to be responsible for its care and handling, and to work safely and cautiously.**
